FACTS ABOUT STATE TEACHERS COLLEGE**Hattiesburg, Mississippi****DID YOU KNOW THAT STATE TEACHERS COLLEGE—**

Is fully accredited.

Holds membership in the Southern Association of Colleges and the American Association of Teachers Colleges.

Offers adequate pre-medical and pre-legal training.

Offers the usual advantages of university training in biology, chemistry, commercial subjects, economics, education, English, fine arts, French, geography, German, government, health, history, home economics, industrial arts, mathematics, music, physical education, physics, psychology, and sociology.

Has superior music faculty and curricula.

Is one of the two institutions in Mississippi meeting National standards in home economics.

Offers courses in accounting, secretarial training, business law, and other commercial subjects.

Offers majors in physical education for both men and women.

Affords opportunity for religious development through vesper and denominational meetings; leadership training through cabinet meetings, State and Regional "Y" conferences, Sunday School and church work; informal study courses through books, pamphlets and magazines on social and religious topics.

Offers you the opportunity to attend at a reasonable cost a senior college, which has a beautiful campus and well equipped physical plant.

Provides recreational activities by College owned golf course, tennis courts and gymnasium, major home football games, inter-collegiate and intramural basketball, boxing, archery, volley ball, hockey, badminton, aesthetic dancing.

Provides social activities through student body, fraternity, sorority, and club receptions, parties, picnics, and informal get-togethers.

Has sent its graduates to receive graduate training and degrees in leading institutions all over the United States, including Yale, University of Chicago, Peabody, Vanderbilt, Tulane, Columbia, and others.

**A State Institution of Higher Learning With A Friendly,
Democratic Administration, Faculty and
Student Body.**

ANNOUNCING

SPRING QUARTER

FIRST TERM: March 20 - April 24.

SECOND TERM: April 25 - June 1.

SUMMER QUARTER

FIRST TERM: June 5 - July 11.

SECOND TERM: July 12 - August 18.

ACADEMIC CALENDAR

March 20 Monday—Class work begins for Spring Quarter. Last day for payment of fees for Spring Quarter to escape late registration fee.

March 27 Monday—Last day for full registration for Spring Quarter.

April 1 Monday—Last day for twelve academic hours registration for Spring Quarter.

April 13 Tuesday—Second term of Spring Quarter begins.

May 7 to 11—Religious Empowerment Week.

May 13 Tuesday—Graduation exercises for the Demonstration School.

May 15 and 16, Thursday and Friday—Senior Examinations.

May 20 Tuesday—3:00 p. m.—Graduation exercises.

May 22 and June 1, Wednesday and Thursday—Spring Quarter examinations.

June 3 Monday—Summer Quarter begins.

June 12 Monday—Last day for full registration for entire Summer Quarter or for six academic hours registration for first term.

June 18 Monday—Last day for twelve hours academic registration for Summer Quarter.

July 4 Tuesday—Friday.

July 11 Tuesday—Mid-summer examinations.

July 13 Wednesday—Second term of Summer Quarter begins.

 Social Science—J. E. Lewis, A.B., E. C. Hall, A.B.

GENERAL INFORMATION

Students may register for a full quarter of work at the beginning of the spring quarter, or they may register for six weeks work during the last term of the spring quarter, beginning April 25. They may also register for either term of the summer quarter, or for the entire quarter. By registering for any two consecutive six-weeks terms in the two quarters a student may do a full quarter of work, and by registering for three consecutive terms he may do an entire semester of work.

Admission is by certificate or examination. Mature students, however, may be admitted as special or unclassified students to those courses for which they are qualified, without satisfying the usual fifteen units admission requirement. A detailed statement of entrance requirements may be found in the bulletin of April, 1938.

Students under the rank of junior and under thirty years of age are required to register for physical education unless excused by the Head of the Department of Health or the college physician. Special courses are designed to meet the needs of those incapacitated for vigorous exercises.

Dormitory room assignments will be made by the President upon deposit of the room service fee of eight dollars. This fee must be sent direct to the office of the Secretary with the request for room assignment. In case of cancellation of reservation, no refund will be made unless requested a week before the opening of the school term.

A list of rooming places off the campus is on file in the office of the Dean of Women.

EXPENSES

FEEES, Per Quarter:

Dormitory Students (Fees, Table Board, Room, and Laundry).....	\$88.50
Day Students	36.00

Fees, Per Half Quarter:

Dormitory Students (Fees, Table Board, Room, and Laundry).....	46.00
Day Students	19.00

Expenses Are Payable:

Dormitory students are required to pay 60.00 on entrance at the beginning of the Quarter, and \$28.50 additional at the beginning of the second term of the Quarter. Day students are required to pay 36.00 on entrance at the beginning of the Quarter. Students entering for the second term of the Quarter are required to pay fees in full upon entrance. **Students who register for an entire quarter must pay fees for an entire quarter.**

Note: No laboratory fee is charged in science courses. The fee in commerce courses is \$4.00 per course. Fees in home economics range from 1.50 to 3.00 per course (see April Bulletin).

IMPORTANT NOTICE: In no case will fees be refunded after student has been in attendance for a period of three days.

Music Fees: Special fees are charged for private lessons in music and for use of college instruments for practice. Those interested should consult the April bulletin or should write for information.

DEMONSTRATION SCHOOL AND CURRICULUM LABORATORY

As usual, the Demonstration School will be operated throughout the summer quarter. In connection with the Demonstration School, superior work is being done in the planning and development of a program of functional integrated units, and opportunity for observation of this work is open to all students of the College. The Director of Teacher Training, the Principal of the Demonstration School, and all critic teachers employed in the School have been in touch with the Mississippi Curriculum Program from its beginning, serving as regional directors, consultants, and members of State committees. The curriculum revision program of the Demonstration School has attracted the favorable notice of national journals of education within the past year, and both the Director of Teacher Training and the Principal of the Demonstration School have been called to serve on committees of direct research work in other states than Mississippi. Probably no better opportunity for finding practical application of curriculum principles to their own problems is available anywhere to Mississippi Teachers than in the Mississippi State Teachers College Demonstration School.

A curriculum laboratory will also be a part of the Summer School. Sections on art and physical education as well as parts of several other sections in Bulletin No. 4 of the Mississippi program for the improvement of instruction were produced in the State Teachers College curriculum laboratory.

CERTIFICATE AND DEGREE COURSES

The College offers curricula for primary, upper elementary, and high school teachers, teachers of vocational home economics, teachers of health and physical education, and teachers of public school music. All these curricula lead to the Bachelor of Science degree. The College also offers curricula leading to the Bachelor of Music degree, with majors in voice, piano, violin, and violoncello.
